

# Fusheng Ke

Associate Professor

Email: kefs@whu.edu.cn

Hometown: Ganzhou, Jiangxi, China

## ■ EDUCATION

2000-2004	B. S. in Chemistry, Gannan Teacher's College
2004-2007	M. S. in Physical Chemistry, Xiamen University
2007-2010	Ph. D. in Physical Chemistry, Xiamen University

## ■ WORKING/TEACHING EXPERIENCE

2010-2013	Postdoctoral fellow in Chemical Engineering, University of South Carolina
2013-present	Associate Professor, Wuhan University

## ■ RESEARCH INTERESTS

Electrode materials and electrolyte for Lithium ion batteries and lithium-air batteries, porous nanomaterials, electrochemical reduction of carbon dioxide.
