

## Yufei Shu

Undergraduate Student – Grade 2013

Email: Yufeishu@foxmail.com

Hometown: Wuhan, Hubei, China

### ■ EDUCATION

2013- present          Undergraduate Student, Wuhan University

### ■ PERSONAL INFORMATION

I am curious about the process from the theories I have learned to real chemistry work. And I am interested in solving problems. Luckily I could join in Deng's group where I can make progress via cooperating with senior Liu, senior Jiang. All the seniors here help and teach me a lot. I esteem it an honor to study here.
