2012-2013	Exchange student, Xiamen University
2015-present	Graduate Student, Wuhan University

■ PERSONAL INFORMATION

The world of science is full of mysteries. I am glad and eager to make a further exploration. It's a good choice to join in Deng Group which has an interesting research field. I hope that, with Prof. Deng's help, we can find something novel and meaningful, even make a big difference to the world.
