

## Zhuo Jiang

Postdoctoral Fellow – Grade 2017

Email: jiangzhuo324@163.com

Hometown: Xianning, Hubei, China

### ■ EDUCATION

2012-2017	Graduate Student, Wuhan University
2017-present	Postdoctoral Fellow, Wuhan University

### ■ PERSONAL INFORMATION

In situ conversion CO<sub>2</sub> to fuels in the pores of MOF, and extend the light absorption region to Vis/NIR seems to be a good choice to resolve the energy shortage issues.
